1. Purpose of Document

If you have concerns about a child or vulnerable adult, you should do the following:

- stay calm – ensure they are safe and feels safe
- listen to them, be careful not to ask any questions that might be considered leading. If you have to ask questions then limit them to those that ask them to describe, tell or explain what happened, and only use these if absolutely necessary
- show and tell them that you are taking what they say seriously
- reassure them and stress that they are not to blame
- be honest and explain that you will have to tell someone else to help with the situation
- make a note of what they have said either at the time, or as soon as possible after the event using their words. If you are offering an opinion, ensure that this is clearly identified in your report. You should use the template provided in this pack. Remember to date and time it and sign it
- maintain confidentiality – only tell others if it will help protect the child
- tell the Club's Welfare Officer as soon as possible

You should not:

- rush into actions that may be inappropriate
- make promises you cannot keep
- take sole responsibility – you must report it to the Welfare Officer so you can begin to protect the child and gain support for yourself

You should contact the Welfare Officer

If the Welfare Officer is not available and your concerns are urgent then you should speak to the Club Chair if appropriate or contact British Fencing's Safeguarding Hotline on 07526 003030 email equality@britishfencing.com.
